1. About Office

Youssef Galal, Public Accountant and Consultancy firm was founded in 2015. We provide our clients a full range of financial services.

Our office is located in New Maadi, Cairo, Egypt. However, we serve a wide variety of clients all over Egypt.

Our commitment is to provide the highest quality services. We make sure that every client is served by the expertise of our whole firm.

2. Professional Services

We provide a full range of core public accounting and financial services in the areas of auditing, accounting, taxes and business establishment to individuals, large and small businesses as well as not-for-profit organizations.

2.1. Audit & Assurance Services

Shareholders, creditors, and other supervisory governmental authorities often need assurance that the financial statements fairly represent the financial position of an entity.

An audit is a methodical review aiming to examine the financial statements, which requires a review of internal controls, testing of selected transactions, and communication with third parties. Based on our findings, we issue a report on whether the financial statements are fairly stated and free of material misstatements as well as its compliance with applied laws and regulations.

2.2. Accounting & outsourcing Services

We aim to provide financial information to our clients in a timely and accurate manner because a well-organized financial records ensure that your business operations will run more efficiently on a daily basis.

Our firm provides a full range of accounting services for business and not-for-profit organizations including bookkeeping, payroll related services, financial statements preparation, and set-up of accounting system for recently established entities.

2.3. Tax Services

We provide our individual, business, NGOs clients with the relevant taxation expertise and updated knowledge all over the year.

Tax services offered include tax preparation and tax authority representation for all applied laws and legislations; typically, income, VAT, salaries, stamp duties as well as withholding tax variant schemes.

2.4. Social Insurance Services

We provide our clients Social insurance services offered include registration of new entities under applied schemes, subscribe and unsubscribe client's employees.

2.5. Business Set-up Services

We provide assistance for clients who wish to set-up their business or NGOs operations in Egypt.

These services include assisting in determining and setting-up the appropriate form to comply with, such as sole trade, partnership, Limited Liability, Joint-Stock companies or not-for-profit organizations.
